# Message from Car Club President

A call out to all club members and any other car buffs out there. We have booked the date for the UFV Chilliwack Campus car show on June 8<sup>th</sup>, 2025. Last year we raised \$19,265 for the Chilliwack Hospital. I'm hopeful that this year we can meet or beat that amount. The well attended event is a great time to meet other car buffs, chat to other car club members and to enthuse others about this wonderful hobby. We look forward for your support with this community event.

Safe and Happy Travels!

Sheryl Leins

Fraser Valley British Motor Club President

# Message from Fraser Valley Classic Car Show Committee

The Fraser Valley Classic Car Show has a long history. Originally held at Minter Gardens in the late seventies under the organization of one of the local service clubs, the Show's organization was later undertaken by the Fraser Valley British Motor Club under the leadership of Jerry Parkhill and Geoff Pickard.

After the Gardens closed, the Show was moved to the Chilliwack Heritage Park on Luckakuck Way in Chilliwack where it continued under the leadership of FVBMC Club members Harv and Shirley McCullough.

Outgrowing that site, the Show was moved to the University of the Fraser Valley campus in the Chilliwack Education Park (the old Canadian Forces Base). In this venue we are able to accommodate a large number of vehicles. Under the leadership of FVBMC members, Bruce Webster, Michael Hamilton-Clark, Laurie Rae, Mike McChesney and with the assistance of other club members, the Show has continued to grow.

In partnership with the Fraser Valley Health Care Foundation the Show takes pride in raising funds to help improve healthcare throughout the Fraser Valley.

# Message from the Fraser Valley Health Care Foundation

Driven by Passion, Benefiting Our Community:

The Fraser Valley British Motor Club's classic car show is not just about beautiful machines – it's about making a real difference. Last year, their event raised a remarkable \$19,265, which was donated to Chilliwack General Hospital, specifically to enhance the mammography department.

Fraser Valley Health Care Foundation's mission is to raise funds and awareness to improve healthcare in Abbotsford, Mission, Chilliwack, Hope, Agassiz, and Harrison Hot Springs. And our foundation is always grateful for Fraser Valley British Motor Club's ongoing support in helping us achieve our goals in providing the best in health care for our community.

Please join the Fraser Valley British Motor Club's classic car show and help us drive positive change forward for our patients-in-care.
